

**How could one slice of pizza take
a bite out of your bottom line?**

Unscheduled stops can really slice into your profits...

UPS Logistics Technologies

...especially when a driver is focusing on his appetite instead of on your overhead.

But \$23 for a slice of pizza? Get the real story on how one dispatcher uncovered the real price of off-route lunches—and how MobileCast® from UPS Logistics Technologies delivered fast relief from the heartburn of higher costs. What you learn—and how much you could save—just might surprise you!

Just visit www.upslogisticstech.com/pizza and find out to avoid the \$23 slice of pizza. In fact, for a limited time, we'll give you a coupon for a free pizza when you sign up for our online Webinar on MobileCast and its benefits to your bottom line.

To find out more, contact UPS Logistics Technologies at 410-847-1900 or 800-762-3638, and email us at market@upslogistics.com.

Don't let your profits go up in pizza! Visit www.upslogisticstech.com/pizza today for your free pizza and smarter savings every day with MobileCast.
